

CHILD PROTECTION - Awareness raising

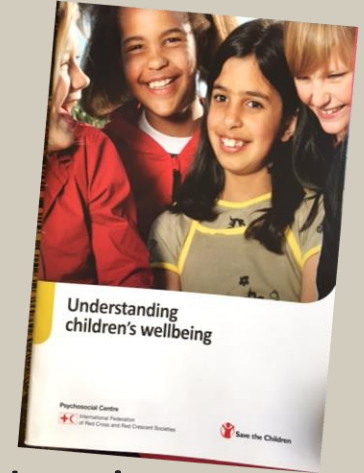

Jumanah Zabaneh

Child/Youth Resilience

Target: **Children** 7-14 & **Youth** 14-20 & their **parents**
(Egypt, Turkey, Iraq, Jordan, Lebanon)

- Understanding Children's Wellbeing/ lifeskills
- The Program manager's handbook.
- The Facilitator handbook 1: (introduction to the Children's Resilience Program, as well as the guide for meetings with parents and caregivers).
- The Facilitator handbook 2: concerned with Protection against abuse and exploitation, Children affected by armed conflict, Children affected by disaster and Children affected by HIV or AIDS.

Psychosocial First Aid

Target: **front liners & parents**

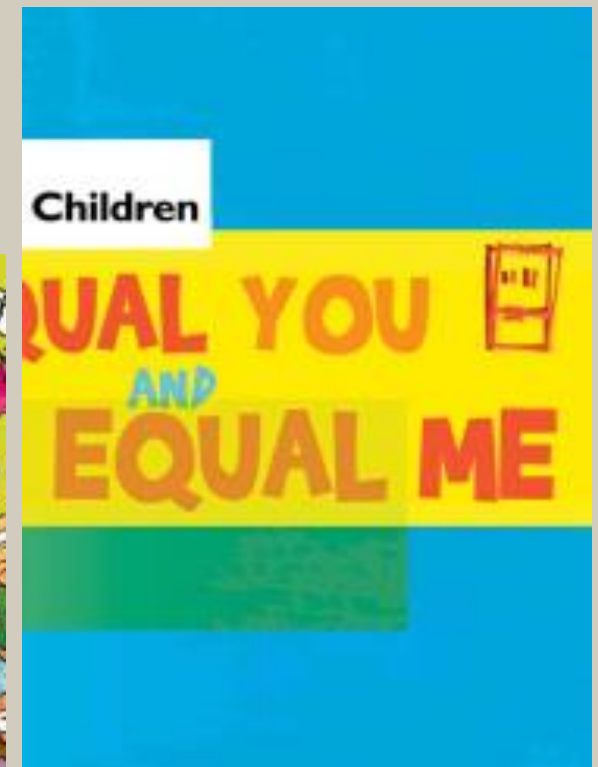

(Egypt, Turkey, Iraq, Jordan, Lebanon)

The training program develops skills for providing physical and emotional comfort by modeling calmness and enables a constructive format through active listening that allows survivors to voice their concerns and needs. It also helps to connect survivors to practical assistance through referral networks and information on positive coping strategies.

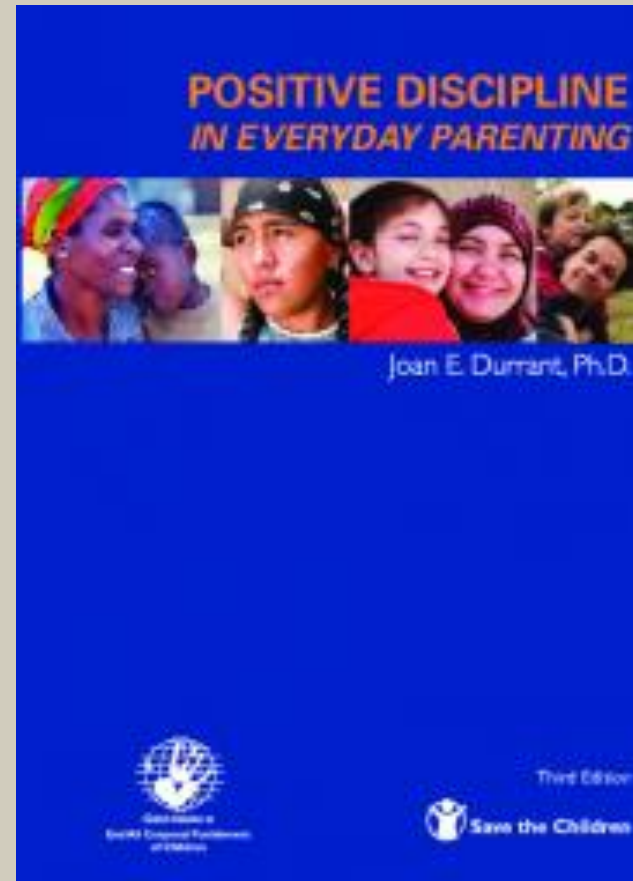

YOU & ME series 😊

Target: **Children** 6-14 **Youth**
(Egypt, Iraq, Jordan, Lebanon)

Positive Discipline in Everyday Parenting/teaching

Target: **Parents & teachers**
(Egypt, Iraq, Jordan, Lebanon)

Sexual & Rep Health Rights

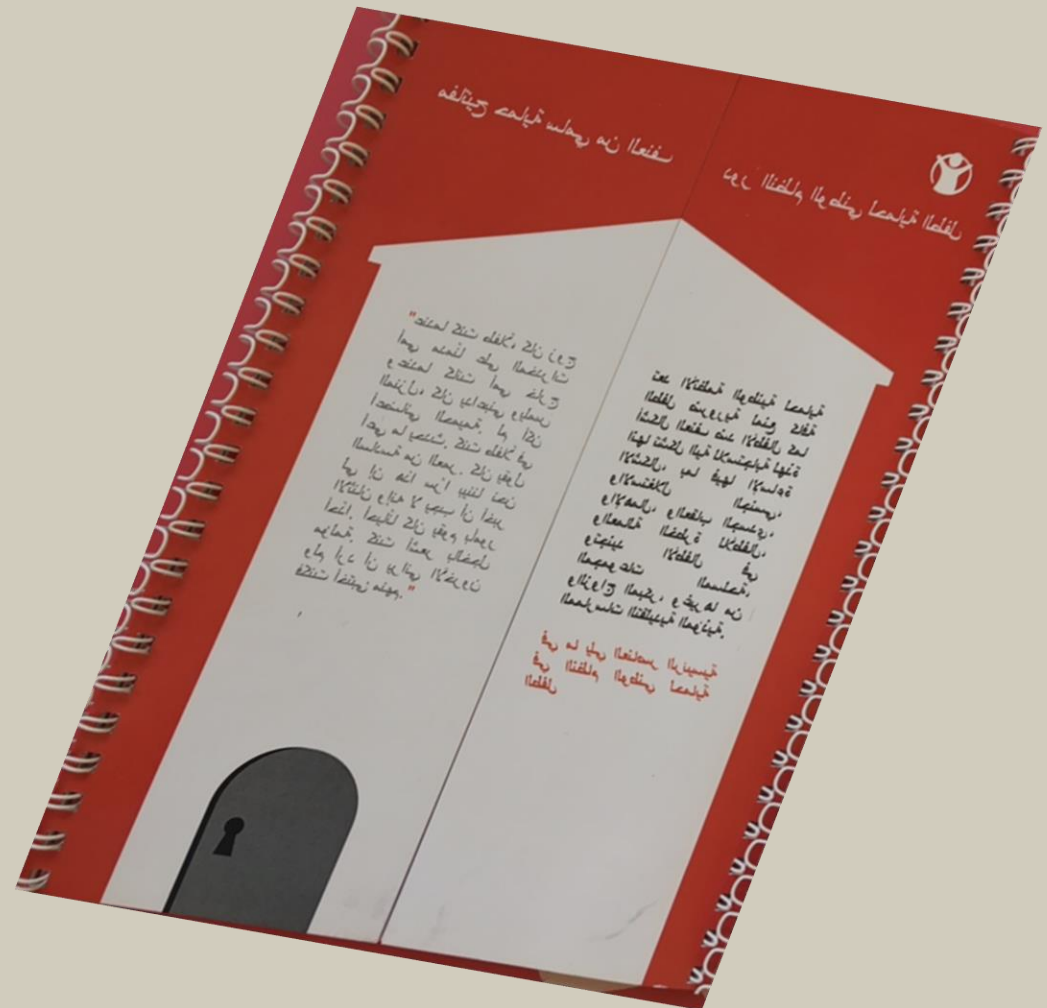

Target: adolescents (Jordan, Lebanon)
SRHR + sexual violence

David Story

Target: CP workers

Child Protection systems

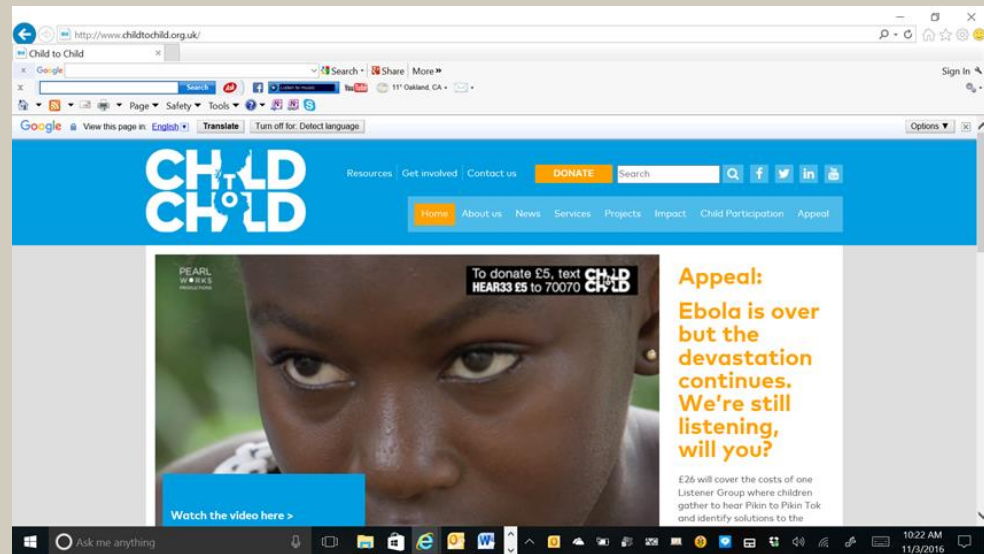

Child to Child

Target: **Children** 6-18 (Lebanon & Jordan & Iraq)

Children as actors following 6 steps approach

<http://www.childtochild.org.uk/>

Opportunities

- Availability in Arabic (developed and piloted in the region)
- Linkages to referral systems and community based CP
- Targeting all sectors/integration/mainstreaming
- Almost all child protection issues are covered
- Focus on youth, practitioners, parents
- Increased focus on root causes (social norms, gender...)

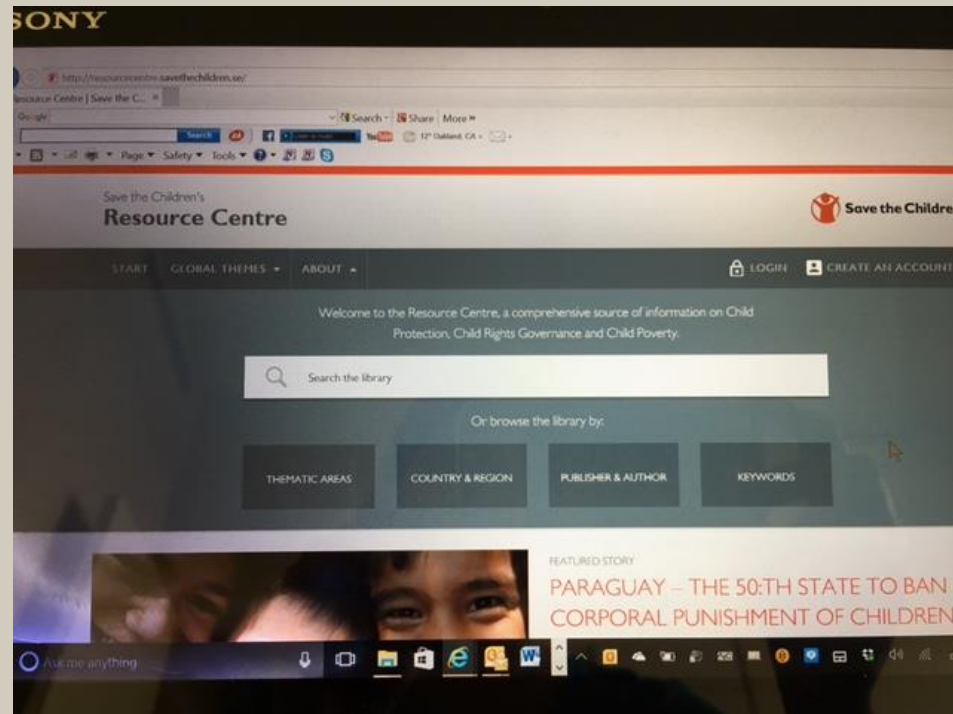

Challenges

- Training and mentorship as prerequisites for implementation
- Capacity for technical support less than demand
- Staff turnover
- MEAL
- Capacity for Technical Advisor to use all materials
- ECCD ?
